*Opposite Monroe Park
Richmond, - Virginia*

Established 1865

**Forty-Fifth Session
September 18, 1909, to June 18, 1910**

Prepares boys for the University of Virginia, for all other universities, colleges, technical schools and for the United States Military and Naval Academies.

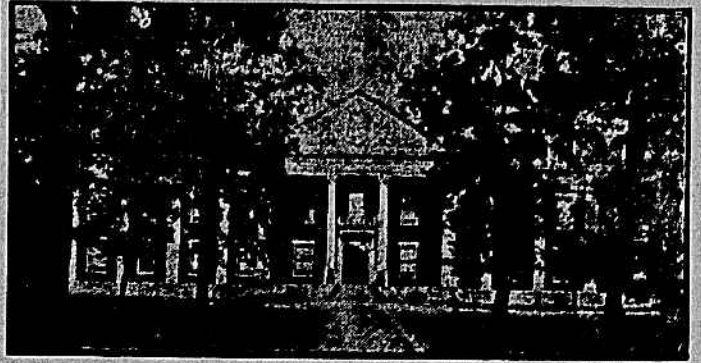

At the University of Virginia last session fourteen representatives of the school received three M. A. degrees, three B. A. degrees, one B. L. degree, and forty-four academic and professional diplomas.

A full corps of experienced university men of scholarship and character, each a specialist in his own department, are employed as instructors in the Upper School. There is a Lower School, with separate study hall and recitation rooms, and a separate set of instructors for little boys, under the immediate supervision and direction of the Principal.

School buildings are conveniently located. Study halls and recitation rooms large, airy and well lighted. Filtered drinking water. Sanitary arrangements recent and excellent. Well-equipped gymnasium in large, well-ventilated hall.

Catalogue, with university and college record for past twenty years, and full information as to instructors, courses, methods and charges, upon application to
